LA BOUITTE

*René Meilleur - Michelin****

René and Louise bought a potato field in 1976, on which they created the restaurant, La Bouitte, which means "little house" in the Savoyard dialect. Since gaining its third Michelin star in 2015, La Bouitte has continued to grow in character.

LA MAISON DES BOIS

*Marc Veyrat - Michelin***

Following an exceptional career in Megève and Annecy, where both his restaurants gained three Michelin stars, Marc Veyrat opened La Maison des Bois in 2013. After closing in 2015 due to a fire, the 2017 edition of the Michelin Guide has awarded the restaurant two stars.

REFUGE DU TORNIEUX

Mont-Blanc face to face

This authentic mountain refuge, built in 1982, has recently been transformed into a haven of peace away from it all. Lunch is taken on the wooden, south-facing terrace overlooking Mont Blanc, or inside the chalet beside the open fire.

LE CHALET DU LOUP

Authenticity in the heart of the forest

Exceptional place at the end of a small path under the fir trees, between le Revard and la Féclaz. Awaken your taste buds with Savoyard specialties prepared with the best products of the region.
